**PETITION FOR APPLICATION FILING DATE**

Assistant Commissioner for Patents  
 Washington, D.C. 20231

Dear Sir:

This is a Petition that the above-captioned application be accorded a filing date of June 8, 2001. A check in the amount of \$130 is enclosed for the petition fee. Please charge any fee deficiencies or credit any over payment to Deposit Account No. 06-0308.

**CERTIFICATE OF MAILING**

I hereby certify that this correspondence and related papers are being deposited with the United States Postal Service as first class mail in an envelope addressed to: Assistant Commissioner for Patents, Washington, D.C. 20231 on 1/16/03.

The present application comprising 59 pages of specification, 4 pages of claims (20 total with 3 independent claims), 1 page of abstract, and 3 sheets of drawings was filed by Express Mail with the U.S. Patent and Trademark Office on June 8, 2001. An unsigned Declaration was included with the filing of this application.

In response to that filing, on June 26, 2001, a Notice to File Missing Parts of Nonprovisional Application (copy attached as Exhibit A) was mailed by the PTO to Applicant. That Notice indicated a filing date of June 8, 2001.

An executed Declaration and Response to Missing Parts Notice was filed by Applicant on August 2, 2001.

Prosecution ensued.

Suddenly and nearly a year and a half after the filing of the application, on November 27, 2002, the PTO mailed a withdrawal of Previously Sent Notice (Exhibit B) and included a "Corrected Notice." This corrected Notice (Exhibit C) stated that a "filing date has NOT been accorded to the...application." Allegedly, according to the PTO, the application that was filed on June 8, 2001, did not contain any drawings. And, pursuant to 35 U.S.C. § 113, a drawing is required "where necessary for the understanding" of the claimed invention.<sup>1</sup>

Applicant and its attorneys have reviewed this matter and believe that the application originally filed June 8, 2001 included three (3) sheets of drawings and for some unknown reason, the PTO's present records are in error. Accordingly, the Notices from the PTO on November 27, 2002 (Exhibits B and C) are in error. Furthermore, it is respectfully urged that the previously recognized filing date for this application of June 8, 2001 be recognized.

Specifically, Applicant's attorneys, who filed this application, reviewed their file. Contained in that file was a postcard submitted concurrently with the Express Mailing of this application on June 8, 2001 that indicated that the application included three (3) sheets of drawings. A copy of that postcard is attached as Exhibit D.

Additional evidence that the original application filed on June 8, 2001

---

<sup>1</sup> The paper entitled "Withdrawal of Previously Sent Notice" (Exhibit B) also asserted that a Notice mailed on October 4, 2002 was sent. Applicant, nor its attorneys, never received any Notice in this regard on or about that date.

contained three (3) sheets of drawings is found from the stamped postcard received by and returned to Applicant's attorneys by the PTO. That postcard containing the PTO date receipt stamp, lists the application filed on June 8, 2001 as containing the drawings at issue. A copy of that stamped postcard is attached as Exhibit E.

An Affidavit as to the application and its filing is included herewith as Exhibit F. In that Affidavit, the attorney signing the application transmittal papers on June 8, 2001, recalls that, to the best of his knowledge, the application filed on June 8, 2001 contained the three (3) pages of drawings referenced on the corresponding postcard.

It would be significantly damaging and inequitable to deny the June 8, 2001 filing date to Applicant. In addition to the foregoing noted evidence, all supporting the previously recognized June 8, 2001 filing date, the specification of the originally filed application repeatedly refers to Figs. 1-5 on the three (3) sheets of drawings at issue. That is, these drawing sheets were clearly in existence at the time of filing the present application and are in no way an attempt to add "new matter."

Accordingly, Applicant and its attorneys respectfully request the PTO to acknowledge that the application filed on June 8, 2001 included the three (3) sheets of drawings at issue. Upon such acknowledgement, there should be no further issue and the June 8, 2001 filing date should be recognized.

Respectfully submitted,

**REQUEST FOR RECONSIDERATION AND**  
**RENEWED PETITION FOR APPLICATION FILING DATE**

Dear Sir:

This is a request for reconsideration of the Decision Dismissing Petition under 37 C.F.R. 1.53(e) mailed March 11, 2003. The Decision dismissed Applicant's petition requesting that the above identified application be accorded a filing date of June 8, 2001.

The reason for the dismissal for the Petition was because "petitioners have not supplied a copy of the three (3) sheets of drawings allegedly filed on 8 June, 2001. Petitioners must supply a copy of the three (3) sheets of drawings with a renewed petition."

Accompanying this request for reconsideration are: (1) a copy of the three (3) drawing sheets filed June 8, 2001; (2) a copy of the previously filed Petition for Application Filing Date; and (3) a copy of the Decision on Petition.

Please charge any fees associated with this Request for Reconsideration and Renewed Petition for Application Filing Date to Deposit Account No. 17-0150.

**CONCLUSION**

In view of the foregoing, it is respectfully requested that the previously submitted Petition for Application Filing Date be granted, and this application be accorded the filing date of June 8, 2001. If there are any issues remaining, the Examiner is invited to telephone Applicant's attorney.

Respectfully submitted,

**AFFIDAVIT FOR PETITION FOR APPLICATION FILING DATE**

Assistant Commissioner for Patents  
Washington, D.C. 20231

I, Richard M. Klein, am an attorney with the law firm of Fay, Sharpe et al. for the assignee of the above-captioned patent application. I declare the following:

1. On June 8, 2001, I attended to the preparation and filing of the above-captioned patent application.

2. I reviewed the application prior to its submittal via Express Mail to the U.S. Patent and Trademark Office (PTO) on June 8, 2001. I signed and dated an application transmittal letter filed with this application on June 8, 2001. To the best of my knowledge, that application, as evidenced on a postcard

also submitted along with the application to the PTO on that same date, included 59 pages of specification, 4 pages of claims (20 total with 3 independent claims), 1 page of abstract, and 3 sheets of drawings. An unsigned Declaration was included with the filing of the application.

3. As far as I am aware, that application, postcard, unsigned Declaration, an Information Disclosure Statement and 1449 forms, and a check in the amount of \$710.00 for the application filing fee was mailed by Express Mail on June 8, 2001 to the PTO.

4. The application filing papers contained a Certificate of Express Mailing. That Certificate indicates an Express Mail label number of EL 852784257US; and a date of deposit of June 8, 2001. The individual who signed that certificate is Ms. Abigail Boone. Ms. Boone is no longer employed with Fay, Sharpe et al., i.e. the law firm handling the present application. Ms. Boone has, as far as I am aware, moved out of state.

5. A return receipt postcard submitted with the filing of this application was received from the PTO. That postcard contained a PTO receipt date of June 8, 2001. That return receipt postcard lists that three (3) sheets of drawings, as part of this application, had been received by the PTO on June 8, 2001.

FURTHER AFFIANT SAYETH NAUGHT.

In re Application of	:
R. Dennis Nesbitt	:
Application No. 09/877,835	: DECISION DISMISSING
Deposited: 8 June, 2001	: PETITION
Attorney Docket No. SLD 20214-3	:

This is a decision on the petition filed on 21 January, 2003, which is treated as a petition under 37 CFR 1.53(e) requesting that the above identified application be accorded a filing date of 8 June, 2001.

The petition is **dismissed**.

The application was deposited on 8 June, 2001. On 27 November, 2002, however, Initial Patent Examination Division mailed a Notice of Incomplete Nonprovisional Application, stating that the application had been deposited without drawings, and that the filing date would be the date that the drawings were received. A two (2)-month period for reply was set.

In response, the present petition was filed on 21 January, 2003, in which petitioner asserts that the application, as filed, included three (3) sheets of drawings. In support, the petition is accompanied by a copy of petitioner's return receipt postcard bearing a USPTO Office stamp with an "Office-date" of 06/08/01 and the above-identified application number and itemizing the filing of three (3) sheets of drawings.

The petition is **dismissed** without prejudice to reconsideration because petitioners have not supplied a copy of the three (3) sheets of drawings allegedly filed on 8 June, 2001. Petitioners must supply a copy of the three (3) sheets of drawings with a renewed petition.
